12. **Objective:** To celebrate the festival of Dussehra and promote cultural values, unity, and student engagement within the department.
13. **Summary:** The Department of Information Science and Engineering celebrated Dussehra with great enthusiasm and devotion, organized by the second-year students to warmly welcome first-year students into the department's cultural environment. The celebration began with a traditional pooja, seeking blessings for prosperity and success. Students created a vibrant and intricate rangoli that symbolized the triumph of good over evil, reflecting the cultural significance of the festival. Sweets were distributed among all attendees, fostering a sense of warmth and togetherness. The active participation of first-year students added to the inclusivity and success of the event, making it a memorable occasion that strengthened the sense of unity and cultural appreciation within the ISE community.
14. **Benefits:** The event encouraged cultural awareness and inclusivity while strengthening interaction between junior and senior students. It fostered a sense of belonging, teamwork, and unity, and contributed to building a positive and engaging departmental environment.
