

1. **Activity/Event Name:** Industrial Talk 1
2. **Semester of the Event Conducted:** Semester 3
3. **Quarter of the event conducted:** Quarter 4, October 2024
4. **Date of the Event/Program/etc:** October 5th, 2024
5. **Duration of the Event/Program:** 200 minutes
6. **Number of faculty participations:** 5
7. **Number of Students Participated:** 50
8. **Funds utilized for the Event/Program:** Rs. 2000
9. **Department:** Department of Information Science and Engineering
10. **Objective:** To provide students with industry insights on cloud computing and networking, and to expose them to emerging technologies and career opportunities in the IT sector.
11. **Summary:** The Department of Information Science and Engineering organized the first session of the Industrial Talk Series on October 5th, 2024, at the seminar hall on the 6th floor. The event was hosted by Akhila G and Hari Kumar Reddy Boggula, who welcomed the chief guest, Mr. Pravin Panneerselvam, along with distinguished faculty members, management, and students from both ISE and 5th-semester CSE. During the session, Mr. Pravin delivered an insightful talk on Cloud Computing and Networking, sharing his expertise and experience with platforms such as AWS, Google Cloud, and Microsoft Azure. He explained key concepts including different cloud service models such as PaaS, SaaS, and IaaS, along with aspects of cloud security and subscription models. The session provided students with a deeper understanding of cloud technologies and their real-world applications, highlighting their significance in the IT industry. The event concluded with a vote of thanks by Nijikal Pranitha, marking the end of an informative and engaging session.
12. **Benefits:** The session enhanced students' knowledge of cloud computing and networking, provided exposure to industry practices, and helped them understand potential career paths in emerging technologies. It also encouraged students to explore cloud-based skills and stay updated with industry trends.
