12. **Objective:** To establish a dedicated learning space that promotes academic growth, reading habits, and collaborative learning among students.
13. **Summary:** The Department of Information Science and Engineering inaugurated its newly established library on October 30th, 2024, as a student-led initiative aimed at enhancing academic engagement. The library was thoughtfully developed through collective efforts, with students contributing books to build a diverse collection, along with additional books sourced from the college library. The space was creatively enhanced with hand-painted canvases, a custom-designed banner, and vibrant posters, adding a personalized and welcoming touch. Seating arrangements, including benches and chairs, were organized to provide a comfortable study environment for first- and second-year students during their study hours. The inauguration ceremony was graced by the presence of the Principal, Vice Principal, and Head of the ISE department, who appreciated the students' initiative and efforts. The event concluded with the distribution of chocolates to first-year students, symbolizing unity and a warm welcome into the academic community.
14. **Benefits:** The initiative provided students with a dedicated and resourceful study environment, encouraged reading habits, and promoted collaborative learning. It also fostered a sense of ownership, teamwork, and responsibility among students while enhancing the overall academic atmosphere of the department.
