11. **Summary:** The Department of Information Science and Engineering organized UDBHAV 2025 on October 18th, 2025, as a grand fresher’s welcome event combined with the release of the department newsletter, *ISE Times*. Organized by the 3rd semester students, the event began with the traditional lighting of the lamp, followed by cultural performances including a Shiv Tandav presentation. The event was graced by Ms. Sangeetha Biswas, Data Scientist, who shared valuable insights into Artificial Intelligence and Data Science, inspiring students to pursue innovation and excellence. The Head of the Department, Dr. R. G. Sakthivelan, addressed the gathering with motivating words. A key highlight of the event was the official launch of the newsletter, showcasing student achievements and departmental activities. The program also featured talent shows, games, and interactive sessions that encouraged participation from both junior and senior students, creating a vibrant and inclusive atmosphere. The event successfully strengthened bonding among students and promoted creativity, teamwork, and community spirit.

12. **Benefits:** The event fostered interaction between students across batches, encouraged creativity and teamwork, and provided exposure to industry insights. It also promoted confidence, leadership, and a strong sense of belonging within the department.
