1. Activity/Event Name: Innovation Showcase – Innovation Showcase: Demo Day/Exhibition/Poster Presentations of Innovations/Prototypes
2. Thrust Area of the Event/Program: Validation and Concept Development
3. Level of the Activity/Program: 4
4. Semester of the Event Conducted: Semester 1
5. Quarter of the event conducted: Quarter 2, February 2026
6. Date of the Event/Program/etc.: 19th to 21st Feb 2026
7. Duration of the Event/Program: 900 min
8. Number of faculty participation: 10
9. Number of Students Participated: 70
10. Funds utilized for the Event/Program: Rs.5000/-
11. Department: Department of CSE in collaboration with IIC - GCEM

Objective:

- Provide opportunities to present posters, ideas, and prototypes.
- Act as a platform to give students to reach wider audience for their work.
- Encourage students to think in terms of real-world applications and apply problem solving ability.
- Provide a platform to improve presentation and demonstration skills.
- To act as a platform for encouraging collaboration between students and faculty.

Summary:

The project exhibition was conducted on 19th February 2026 at the Department of Computer Science and Engineering, GCEM. The participating students presented their ideas and projects through live prototype demonstrations and posters. The exhibition was attended by faculty members and students. Students explained their project objectives, the technologies they used, and the problems they were trying to solve. The event created a good platform for students to showcase their efforts and learn from the experience. It also

AND MANAGEMENT**
Whitefield, Bengaluru

encouraged them to take more interest in developing practical and innovative solutions and developing an entrepreneurship mindset.

Benefits:

- By presenting their ideas and interacting with visitors, students were able to see the practical relevance of their work.
- Helped students gain experience in communication, presentation, and demonstration skills.
- The exhibition motivated students to work more seriously on their technical skills and explore new ideas.
- The event was helpful in supporting students' learning beyond regular classroom activities.
- This experience will be useful for their future participation in hackathons, competitions, and research activities.
