1. Activity/Event Name: **“Institutional Innovation and Startup Competition”**
2. Thrust Area of the Event/Program: **Start-up Ecosystem & Scale Up**
3. Level of the Activity/Program: **03**
4. Semester of the Event Conducted: **Semester II**
5. Quarter of the event conducted: **Quarter 4(1st June 2026 - 31st August 2026)**
6. Date of the Event/Program/etc: **17TH AUG 2026**
7. Duration of the Event/Program: **180 minutes**
8. Number of faculty participations: **05**
9. Number of Students Participated: **50**
10. Funds utilized for the Event/Program: **NA**
11. Department: **Department of CSE in collaboration with IIC - GCEM**

Objective: The objective of the session was to promote innovation and entrepreneurship among students and create awareness about the opportunities available through institutional innovation and startup competitions. The session aimed to encourage students to identify real-world problems, develop innovative solutions, understand the startup ecosystem, and transform their ideas into viable entrepreneurial ventures.

Objective of the Session:

- To promote an innovation and entrepreneurial mindset among students.
- To encourage participants to identify problems and develop creative, practical solutions.
- To provide an understanding of the startup journey, from idea generation to implementation.
- To familiarize students with startup competitions, incubation, mentoring, and funding opportunities.
- To motivate students to participate in institutional innovation activities and convert innovative ideas into sustainable startup ventures.

12.Summary: The Department of Computer Science and Engineering, GCEM, in association with the Institution's Innovation Council (IIC), successfully organized a session on "Institutional Innovation and Startup Competition" on 17th August 2026. The session provided participants with insights into the importance of innovation, creativity, and entrepreneurship in addressing real-world challenges. It highlighted the process of developing ideas, validating innovative solutions, participating in startup competitions, and utilizing institutional support, mentoring, incubation, and funding opportunities. The session encouraged students to think creatively and explore entrepreneurship as a pathway for creating meaningful social and economic impact.

13.Benefits:

- Enhanced students' innovation and entrepreneurial mindset.
- Created awareness about startup competitions and innovation opportunities.
- Encouraged students to identify and solve real-world problems through innovative approaches.
- Provided insights into idea generation, validation, and startup development.
- Motivated students to participate in IIC and institutional innovation activities.
- Improved awareness of mentoring, incubation, networking, and funding support available for startups.
- Encouraged students to transform their innovative ideas into viable and impactful startup ventures.
- Strengthened the institution's culture of innovation, entrepreneurship, and problem-solving.
