1. Activity/Event Name: Webinar on “Sabka Saath, Sabka Vikas – Fulfilling Aspirations of People” Quarter-1 [1 March-31 June]
2. Thrust Area of the Event/Program: **Validation and Concept Development**
3. Level of the Activity/Program: **02**
4. Semester of the Event Conducted: **EVEN Sem**
5. Quarter of the event conducted: **Quarter 1 in March 2026**
6. Date of the Event/Program/etc: **9<sup>th</sup> March 2026**
7. Duration of the Event/Program: **240 minutes**
8. Number of faculty participations: **4**
9. Number of Students Participated: **150**
10. Funds utilized for the Event/Program: **NA**
11. Department: **Department of CSE in collaboration with IIC - GCEM**
12. **Objective:** The objective of the Post Budget Webinar on Education, Skills, and University Townships, addressed by Prime Minister Narendra Modi, is to discuss and implement the key initiatives announced in the Union Budget for strengthening India’s education and skill development ecosystem. The webinar aims to bring together policymakers, academic institutions, industry leaders, and stakeholders to explore strategies for improving the quality of education, promoting research and innovation, enhancing employability through skill development, and developing modern university townships. It also focuses on fostering collaboration between academia and industry, encouraging digital learning, and ensuring that educational reforms contribute to the nation’s economic growth and global competitiveness.
13. **Summary:** The Fulfilling Aspirations of People – For Quarter 1, the event was conducted on 9th March 2026 at the GCEM Room No 405,406,407 and 410. The Post Budget Webinar on Education, Skills, and University Townships was addressed by Prime Minister Narendra Modi to discuss the initiatives announced in the Union Budget related to the education sector. The webinar focused on improving the quality of higher education, strengthening skill development programs, and developing modern university townships that integrate education, research, innovation, and industry collaboration. It brought together policymakers, educators, industry experts, and stakeholders to share ideas on implementing budget proposals effectively. The discussion also highlighted the importance of digital learning, research infrastructure, and creating job-ready skills for students to support India's economic growth.

**14. Benefits:** Participants gain hands-on experience the Post Budget Webinar on Education, Skills, and University Townships addressed by Narendra Modi helps improve the quality of education and research in universities. It promotes skill development so that students become more employable in various industries. The initiative also encourages collaboration between academic institutions and industries for innovation and practical learning. In addition, the development of university townships creates modern campuses with better infrastructure, supporting India's long-term educational and economic growth.
