13. Summary:

The **Department of Computer Science and Engineering, GCEM**, in association with the **Institution's Innovation Council (IIC)**, successfully organized a session on **"Entrepreneurship v/s intrapreneurship"** as World Entrepreneurs Day on **21st August 2026**. The session led by **Mr. Akash Akku** provided a comprehensive overview of the modern business landscape, focusing on the critical roles of entrepreneurship, intrapreneurship, and active networking. Drawing directly from his extensive experience as the **Chief of Nexus at CEDAT**, he highlighted how dynamic founders, professionals, learners, and students can come together for meaningful conversations and collaborations. The talk emphasized the importance of engaging in meetups, conferences, and internships to build strong connections that ultimately turn ideas into impactful ventures.

14. Benefits:

- **Access to Practical Opportunities:** Attendees gained clarity on how to leverage community ecosystems to secure internships, projects, and collaborative roles across domains like Tech & AI, Sustainability, and Healthcare.
- **Strategic Networking Skills:** Insights into how participating in local and global platforms similar to his work organizing regional events for the Startup World Cup can help individuals connect with mentors, investors, and corporate leaders.
- **Actionable Career Growth:** Practical guidance on how to translate raw vision into viable ventures and career paths through honest conversations and strong industry connections.
