About the department

The Department of Basic Sciences being the foundation of engineering is responsible for strengthening the very first understanding of the engineering profession that binds subjects of universal application.

The Department of Humanities & Basic Sciences at GCEM offers the bridge courses in Chemistry, English, Mathematics and Physics to help the engineering students get attuned to the specialized engineering domains. In addition, the department coordinates a smoother transition of our novice engineering aspirants from the academic setting they experienced at 10+2 level to the study ambience they will encounter in their undergraduate Engineering and Technology course. The department currently comprises well qualified faculty members. The faculty has addressed itself to the need to orient the students towards the ultimate goal of relating their knowledge to the reality of life situations.

Activities conducted

E-QUIZ

E-quiz on “GENERAL CHEMISTRY” was organized by the Department of Chemistry during 24-28 August 2020. The entire program was organized using GOOGLE FORM. A link was given to participate in this knowledgeable event and E-certificate was issued to the winners on their email.

The students and faculties of various institutions throughout the country took part in the quiz and there were 198 participants registered through the link from different cities. The participants who scored more than 40% of marks have received E- certificate via Certify'em. The event was coordinated by Dr. Sarika C, Asst. professor & HOD & Ms. Spurthi Y L, Asst. professor, Dept. of Chemistry and the organizing committee consist Dr. N. Y. Maharani, HOD, Basic Science and Dr.N. Sengottaiyan, Principal, GCEM.

❖ WEBINAR

The Department of Basic Science organized and conducted a webinar on “YOUR EYES DURING COVID 19 AND BEYOND” on 8th January 2020. During Covid 19 Pandemic, the webinar on “Your eyes during Covid 19 and beyond” was very useful and essential for the students and staff. Dr. Apeksha, the resource person briefed about the eye care during the pandemic time. Now, the education system is completely moved to digital platform, therefore, the students as well as teachers need to give more care towards the health of their eyes.

The webinar was truly wonderful and mind blowing and received very Good feedback about the program from our student.

GUEST LECTURE

The Department of Chemistry organized and conducted a guest lecture on “Chemistry an inseparable Science in Engineering” on 22.07.2023.

Dr. Ashok Kumar Shukla, Retired Professor, East Point College Of Engineering and Technology, Delivered a lecture on role of Chemistry in Engineering. The Resource person gave a brief discussion on chemistry as an important fundamental topic for Civil Engineers.

The programme was coordinated by Dr.N.Y.Maharani, HoD Basic Science and Dr.Sarika, HoD Chemistry.

STUDENTS ACHIEVEMENTS

- ❖ Kishore Reddy, Likith More K S, Abhishek S, Anushree N -II Semester students Participated in PROJECT COMPETITION at CMR Institute of technology.
- ❖ Dheeraj S - I Semester students won Third Prize in AIKKPF 13th National Karate Do & kobudo tournament in KATA and AIKKPF 13th National Karate Do & kobudo tournament in KUMITE .
- ❖ Dheeraj S- I Semester students won Third Prize in AIKKPF 13th National Karate Do & kobudo tournament in Bo.
- ❖ Dheeraj S- I Semester students won Fourth Prize in AIKKPF 13th National Karate Do & kobudo tournament in Nunchakku.
- ❖ Monitha Lokesh K, Mohan P, Prince Kumar- I Semester students Participated in Hackathon at EAST POINT College of engineering and management.
- ❖ Likith D T -I Semester students Participated in AR TREASURE HUNT at EAST POINT College of engineering and management.
