Brief History and background for its establishment

Gopalan College of Engineering and Management (GCEM), Whitefield, Bangalore established in 2010 and is an institute which provides quality education in a diverse and multi-cultural environment & GCEM celebrates the power of knowledge cultivates vision and encourages new ideas, while also inculcating human values. Its transformative engineering education includes a broad-based curriculum underscored by multi-disciplinary courses and cross-faculty enrichment, as well as special programmes which allow students to realize their potential and make them competent, inspired and successful professionals. Student life includes participation in sports, recreational and co-curricular activities and cultural.

In short, at Gopalan Engineering College, students will find an academic and social environment where everyone- from faculty members to peers help shape their future. With inputs from motivated and quality faculty our students display consistently high academic performance which has helped us to reach a pioneer as ranked amongst the top Engineering colleges in Bangalore, Karnataka.

Vision

To be the institution of choice with contemporary knowledge coupled with values that contribute to the society through excellence in technical education and research by continual innovation.

Mission

1. Achieving excellence in teaching, learning process using state-of-the-art resources.
2. To develop industrial collaborations to promote research and innovation capabilities of faculty and students.
3. To inculcate entrepreneurial skills with high values of integrity to serve society.

Core Values

- Believe in educating people with the necessary skills to advance the engineering "state of the art." impart knowledge to students for lifelong learning.
- Believe in the discovery of new knowledge through innovative research that encourages entrepreneurship and economic development to benefit our global society.
- Believe in inclusiveness and collaboration on a worldwide basis. we teach and follow ethical, environmentally responsible engineering practice

Approved by All India Council for Technical Education (AICTE)

Recognised By Govt. of Karnataka

Affiliated to Visvesvaraya Technological University (VTU)

ISO 9001:2008
