Gopalan College of Engineering and Management

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

STUDENTS' ACHIEVEMENTS

1. Students' Publication Details

Sl. No.	Date	Event	Organizing Institute	Students' Name	USN	Achievement/ Role/ Position
1	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan college of engineering and management(GCEM)	Nishanth Haryharan	1GD19CS036	Garbage-waste segregation using Deep learning
				E Monica Sharon	1GD19CS010	
				Naga Varshini	1GD19CS026	
				HarshithaVemula	1GD19CS012	
2	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan college of engineering and management(GCEM)	Rakhee Gupta	1GD19CS033	Fake news detection using machine learning
				Iris Das	1GD19CS013	
				Nandini Joshi,	1GD19CS057	
				Sahana.S	1GD19CS037	

3	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan college of engineering and management(GCEM)	Rathan K G	1GD19CS035	A Machine Learning Methodology forDiagnosing Chronic Kidney Disease
4	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan college of engineering and management(GCEM)	Sana naz	1GD19CS038	Recommending the crop price using decision tree
				surbhi Priya	1GD19CS045	
				Shivani hosmath	1GD19CS042	
				Anupriyasingh	1GD19CS055	
5	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan college of engineering and management(GCEM)	Naga Meghana Karanam	1GD19CS025	Real Time Chauffeur behavior detection based on Convolution Neural System
				R KrishnalahariReddy	1GD19CS031	
				Ramya BG	1GD19CS034	
				Smitha G	1GD19CS043	

				NAVYA M	1GD20CS032	
6	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	VIDHYASHREE B V	1GD20CS054	Applications of Data Science in Medical Image Analysis.
7	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	Y FAZAL NAWAZ	1GD19CS052	Flood prediction using ML
8	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	k Kiran madhurchakravarthy	1GD19CS017	Design and development of 3d computer game
				K A Ritvik	1GD19CS016	
				Shirish sai s	1GD19CS041	
				deerendra prasad	1GD19CS009	
9	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	Ajay Yadav	1GD19CS001	Flood prediction Using ML
10	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	DEEPEN RATHOD	1GD17CS007	Plant Disease Detection Using Convolutional Neural Network
				PRAGATI J	1GD19CS029	
				VIDYASHREE TK	1GD19CS050	

11	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	Thejashree LN	1GD19CS047	OMATIC DETECTION OF ANDROID MALWARE USING MACHINE LEARNING
				Anusha G	1GD19CS004	
				Vinutha S	1GD19CS051	
12	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	SuryanshSrijan	1GD19CS046	Revisiting Image Pyramid Structure for High Resolution Salient Object Detection
				Vartika Tripathi	1GD19CS048	
				SanjnaSoni	1GD19CS039	
15	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	Darshan R	1GD20CS010	Web 3.0 : Decentralized Applications and Metaverse Integration

16	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	MidhiliAsok	1GD20CS026	Todo-List Web Application To Increase Time Efficiency
				Manohar Mali P	1GD20CS024	
17	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	Tejasai Midam	1GD20CS049	Gaming Registration
				Harsha	1GD20CS017	
				jashu	1GD20CS019	
18	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	M Dhathrireddy	1GD20CS022	Recipe guide
				Anusha S	1GD20CS005	

19	05th of May 2023	*National Conference on Emerging Trends In Computer Science Engineering and Information Technology*	Gopalan College of Engineering and Management(GCEM)	K NITHYANANDAN	1GD20CS020	Web development
