Gopalan Pre-University College

GPUC emphasizes on active learning, where the student is at the centre of the learning process, making them a key factor in discovery instead of being a passive receiver of information.

We aim at forging students with social concern, conscience, compassion, personal and moral values.

An amiable environment ensures that our students are nurtured to be global citizens, fully equipped to take on the challenges of the world.

The academic excellence goes beyond requirements of high results, but aims to be holistic and all round development.

Gopalan Pre-University is approved by Directorate of Pre-University, Govt. of Karnataka.

Achievements

Our success lies in our students aiming for and reaching their goals. The institution aspires to be the stepping stone to success; and we mark their achievements as one of our own.

Our students have made us proud by securing admission in premier institutes like NIT (Rishu Jha), GCEM, VIT, M S Ramaiah, PESIT, GSAP, GCC and others.
